

# WHO IS LONDON FOR?

Join the Tottenham CLP  
discussion on the biggest issue facing our city

**Monday, 18 September at 7,30**  
**The Beehive Pub, Stoneleigh Road, N17**

This should be a fantastic evening as we have two great speakers.

**Anna Minton**, whose new book *Big Capital*, was published recently will be speaking about housing in London, asking the key question - Who is London For?

And joining her will be **Pilgrim Tucker** of the Radical Housing Network. Pilgrim is working with survivors of the Grenfell Tower disaster so will bring her insights and experience to this discussion. With the largest housing privatisation programme in the country facing us in Haringey, and now including the plan to give a further £1bn to Lendlease to 'develop' Love Lane this couldn't be more timely.

All Labour Party  
Members
